

Welcome to Nanaimo Christian School International Program!

Our History

Nanaimo Christian School is the result of a dedicated group of parents wanting their children to be educated in a Christ Centered environment. NCS's roots go to the late 1970's and grew over a period of time. By 1988, the parents formed a society, and a new building was opened on 6 acres on the edges of Nanaimo.

Twenty years later, we are about to launch our brand new building, which will house the Middle and High school students. This state of the art building will serve the students well for years to come. It has been through the dedication of tireless work from parents, staff and students that this building is ready! The older building has been refurbished and will house the elementary program.

Nanaimo Christian School also operates a full pre-school program designed to prepare young children with the skills they need to enter Kindergarten.

Why should you choose Nanaimo Christian School for your child?

Nanaimo Christian School is a Christ-centered, grace filled community, serving in partnership with Christian families for the purpose of educating our children to realize each one's unique potential. We encourage students and staff to pursue excellence in all aspects of life by sharing a Biblically-based curriculum that will enable them to impact their world for Jesus Christ in the quest of their calling.

- NCS is first and foremost a Christ-Centered Community where parents and teachers work together to provide students with a solid environment where they may grow academically, spiritually, physically and socially.
- NCS offers a full BC ministry of Education Curriculum while being an independent school. This means we offer all that the public schools do and more.....so much more.
- NCS recognizes that the world is becoming a much smaller place. International students bring with them their own cultural perspectives and expressions, along with their own experiences and insights. We celebrate the diversity each new student brings while including them and introducing them to Canadian culture.

What makes Nanaimo Christian School Unique?

NCS is a family consisting of students, parents, grandparents and staff all working together to make each student feel important and special. Everyone knows each other. Would you like your child to join our family? We are waiting to hear from you. Please email or call us today!
