### **Student Placement Policy**

#### **Student Placement**

Enrolment opportunities are open to students Grade K-12. Children under the age of 15 are required to live or plan to live with their parent/parents in Canada. Recognizing that the teen years are formative years, both emotionally and spiritually, schools will only consider placing students in home-stay environments if they are 15 years of age or older.

#### **Application Process**

All necessary registration forms are available on at [www.nanaimochristianschool.ca](http://www.nanaimochristianschool.ca) and can be downloaded in PDF format.
