

Nanaimo Christian School

Parents Personal Statement of Faith

Nanaimo Christian School believes the relationship between the school, home and church is essential for a child's best development.

The Bible is the authority which governs and directs the way we educate our children. Christ is recognized as the foundation of all knowledge and truth. The school strives to guide and direct the children in such a way that they commit their hearts and lives to Christ.

Every subject is taught in the light of God's Word. The curriculum directs the children to a Biblical understanding of God, themselves, and their fellowman. Along with an understanding of creation, they are given guidance, direction and values to help develop every potential God has given each of them.

In making this application, I/We understand the purpose of the school, support the Christ-centered education our children will receive, and subject our children to the authority vested by the board in the principal and the classroom teacher.

In making this application, I/we profess that CHRIST IS THE CENTER OF OUR LIFE AND HOME.
