

Welcome to our International Program!

We offer Christian English Immersion Programs design to meet your child's needs on beautiful Vancouver Island.

Winter Break:

This program is for middle and high school students who want to experience Christian Canadian lifestyle and our immersion program.

Spring Program:

Start in March to prepare for yourself for full time courses in September. We will give you plenty of ESL help and have you gradually join our regular classes.

September Full-Time Program:

Come join us for a year or longer to graduate with your dogwood certificate. A parent must accompany you in this program! This is for dedicated Christian families who want their children taught in Canada.

If any of these programs interest you, please contact me today!
